**Response to Denial of Request for Power of Attorney**

Sir:

In response to the Office Communication of "Denial of Request for Power of Attorney" dated March 1, 2010 please accept the new Revocation of Power of Attorney with a New Power of Attorney, which is enclosed herewith.

In the Power of Attorney filed on Feb. 23, 2010 I filled my Agent Registration Number 52480 to instead my customs No. 56352, which causes the denial of power of attorney.

The Final Office Action was mailed on September 24, 2009. A fee of \$245.00 for two months extension was paid when filing the Notice of Appeal together with the Power of Attorney on Feb. 23, 2010.

The applicant considers the correction of Power of Attorney should not affect the two months extension.

However, a Credit Card payment Form of \$310.00 is enclosed herewith for the difference between three and two months extension if the Examiner considers three months extension is necessary now.

Please abandon this Credit Card payment Form of \$310.00 if two months extension is still be applicable in current case.

Therefore, applicant respectfully requests that this case is transferred to our services and the notice of appeal is accepted.

Respectfully submitted,
